## MEAC MEMBER SCHOOLS LETTER #16: New MEAC Mailing Address

Dear MEAC Member Schools:

On behalf of the MEAC Board of Directors, we would like to advise our Member Schools that we have a change of mailing address for our MEAC office. As part of ongoing operational improvements, MEAC has completed the process of shifting from a physical to a fully virtual office. As of February 2016, MEAC's new mailing address is:

850 Mt. Pleasant Avenue  
Ann Arbor, MI 48103

The rest of our contact information remains the same. Please update your records with this new information. Please note that under Benchmark IX.C1, you are obligated to inform students of MEAC's contact information for purposes of filing grievances. Please be sure to update MEAC's address wherever you provide it to students (in catalog, website, etc.).

As the new MEAC Executive Director, my top priority is to implement the Board's strategic goals in 2016 and beyond. This year, there is no more important issue than ensuring that we provide each of your schools with the most efficient, transparent, and user-friendly accreditation process possible. We welcome your feedback regarding your user experience and suggestions for improvement.

I personally look forward to meeting with each of you over the course of the next year to learn more about ways in which MEAC can excel in our mission to promote excellence in midwifery education through accreditation. Should you have any questions, please contact me directly at (360) 466-2080, ext. 1, or [tracy@meacschools.org](mailto:tracy@meacschools.org).

Best,

*Tracy Vilella Gartenmann*
